Patent Director,

On April 7, 2011 I sent a request to have my Patent 704990 renewed. As stated in my earlier letter, I did not realize that by not paying the Renewal fee the Patent would expire. Patent 7049980 is my first and only patent. As stated in my previous letter, I would like to maintain control of the patent.

Attached is a copy of my previous letter and a self-addressed envelope. Please accept my apology and provide me with the steps required to revive my patent.

Thank You,

Dear Plaintiff.

Patent Director,

I recently reviewed my Patent file and came across the PATENT RENEWAL SERVICE notice. Apparently I did not send in the \$175.00 renewal fee. I apologize for not sending in the fee. I was unaware that by not sending in the renewal fee, that patent will expire. This is the first and only patent that I have and would like to maintain control of the patent. I am willing to pay any penalty fee to revive the patent.

Please accept my apology and provide me with the steps I can take to revive Patent 7049980.

Thank You,

David Chemelewski
